MEMORANDUM FOR: Deputy Director for Administration

FROM:

[Redacted]
Psychological Services Division
Office of Medical Services

SUBJECT: Analysts' Evening Seminar/Discussion
with the Director

1. Last evening's dinner and discussion with the Director, Deputy Director, and other top management officers of the Agency was informative and enjoyable, and I want to thank you again for having included me among the participants. It was gratifying to note the intense interest displayed by management in the concerns of their junior officers, amply evidenced by their responses to the presentations made by my fellow officers and me.

2. Though time did not allow any in-depth discussions of the many topics raised, all participants seemed to feel the evening was well-spent. I found it a stimulating experience and an unusual opportunity to become better acquainted with the policy-makers of the organization for which I work. Thank you, again, for affording me this opportunity.
